

Choral, Orchestral & Band Folders

Elegant, high-quality
folders with brass-
rounded corners

Choral Folders

Imagine how a matching set of folders will distinguish and give a sense of identity to your group of musicians – whether it's a professional orchestra, chorus, school band or the local church choir.

Study the features of our elegant folders and see how we don't compromise on quality:

Full leatherette covers. Hard-wearing and look handsome for years. No soiling from prolonged handling.

Hand stitching. We don't use glue on pockets and spines, so pocket seams won't readily separate.

Please note that, in response to customer demand, our red and blue folders are now a slightly darker shade than they were previously, and we have made minor updates to some of our folder models. To request a sample, just call the sales team on 0800 072 7799.

At the time of going to press, we do have a quantity of the older models in stock. Please contact the sales team on 0800 072 7799 to discuss your requirements.

“ The folders are really excellent and the choir takes great pride in using them. ”
