

LEGACY® BASIC ACOUSTICAL SHELL

**With the Legacy® Basic Acoustical Shell,
setting up great acoustics is easier than ever.**

Creating acoustical shells that meet your needs is part of Wenger's tradition. The Legacy Basic Acoustical Shell continues to set the standards for ease of setup, acoustical effectiveness and flexibility at your most affordable price.

In its storage position, Legacy Basic Shells move through standard doorways and will roll around your facility with ease. To set it up, all it takes is one person and six rotations of a handle. The canopy locks into one of four different angles. This provides adjustable acoustics, which benefits all types of performances from choral to instrumental. Considering the acoustical performance, ease of use, aesthetics, Wenger customer service and the five year warranty, Legacy Basic Acoustical Shells are a great value.

LEGACY® BASIC ACOUSTICAL SHELL

Simple, safe one-person setup.

Shells nest together for compact storage.

Roll shell into place.

Adjust snap-in pins for desired canopy angle.

Lift canopy to preset angle for optimum sound projection.

Turn handle of lift mechanism to set shell height into performance position.

Snap-in pin sets canopy to any of 4 preferred angles.

Guides allow for smooth height adjustment and stop panel at full height.

A continuous hinge allows canopy to fold and raise easily.

Easy-to-turn handle on the frame raises the shell to the maximum height in just six turns.

PRODUCT SPECIFICATIONS:

- Upper panels are flat in standard 1" (25 mm) thick. Lower panel is 3/4" (19 mm) thick. All are 6' (1829 mm) wide
- Lower fixed panel is constructed of 3/4" (19 mm) thick composite laminated wood with edgebanding
- Easy, intuitive lift mechanism for raising and lowering shell
- Canopy folds flat for storage, and middle panel overlaps bottom panel
- Legs protrude in front of shell to provide counterweighted base design
- No kicker panel, bottom panel rests 6" (152 mm) from floor
- Canopy is 36" (91 cm) high providing less coverage than Legacy Classic model
- Fully extended height is 13' 3" (4039 mm)
- Ships fully assembled
- Available in Oyster finish only
- Canopy adjusts to 45, 60, 75 and 90 degree angles
- Tapered Canopy: 296 lbs (134 kg). Rectangular Canopy: 304 lbs (138 kg)
- In storage position, unit fits through a standard 36" x 80" (914 x 2032 mm) door opening
- Folded dimensions are 6' 6" h x 31.5" d (1981 x 800 mm). When multiple units are nested together for storage each additional shell adds 10" (254 mm)
