

flipFORMS®—fun, fast and flexible.

Since their introduction, flipFORMS have become one of the most quickly accepted product innovations in our history. That’s because they were designed to meet needs that no other piece of equipment can meet — fast-changing, flexible, fun, interactive environments that adapt to the way you teach. And now, with an improved design, flipFORMS are better than ever.

As a flat platform flipFORMS work separately or can be pushed together to create a stage for your performers. With a simple flip, you can create tiered seating and with another flip you can create standing risers. When you want to open up your floor space, flipFORMS roll out of the way on built-in, recessed wheels.

Platforms.

The ideal shape for small group choreography, color teams, tables and more. A set of four can be pushed together to make an 8' x 10' (2438 x 3048 mm) performance stage.

Tiered Seating.

Flip the larger section onto the core to create two tiers of seating. Stable, comfortable, quiet seating that eliminates a room full of chairs without doing away with a place for students to sit.

Standing Risers.

Another simple flip creates great standing risers for the classroom or performances. Risers elevate students so they can be seen and heard by teachers and parents.

Out of the Way.

flipFORMS tip up onto stable wheels and can easily be rolled out of the way and into compact storage. You'll be amazed at how quickly you can open up your room and move between lesson activities with flipFORMS.

flipFORMS add creativity to your curriculum.

In today's education world, curriculum is more than just books and paper. We have turned to an expert in interactive music education who has created and used a variety of flipFORM lessons. With this book and flipFORM units, your education goals will come alive. You will receive this curriculum book free, with your order of one or more flipFORMS.

PRODUCT SPECIFICATIONS:

- Available in blue, green, red, yellow, and grey with a grey base or black with a black base.
- Molded hand-holds make flipping and moving flipFORMS easy.
- Built-in recessed wheels.
- High-density plastic for strength and durability.
- Textured surface for enhanced traction.
- Easy-to-clean material.
- Replaceable top sets available.
- Assembly required.
- Five year warranty.

- 025D002 flipFORM - blue top/grey base (100 lbs.)(45 kg)
- 025D003 flipFORM - green top/grey base (100 lbs.)(45 kg)
- 025D004 flipFORM - yellow top/grey base (100 lbs.)(45 kg)
- 025D005 flipFORM - red top/grey base (100 lbs.)(45 kg)
- 025D027 flipFORM - grey top/grey base (100 lbs.)(45 kg)
- 025D028 flipFORM - black top/black base (100 lbs.)(45 kg)
